

**FREE Monthly Webinar Services Presents:**

***First Aid in the Workplace – You CAN Take Action!***

**Tuesday, March 15, 2022 at 2 p.m. (Eastern)**

This one-hour course reviews common first aid emergencies that can occur in the workplace. It aims to empower participants with the confidence to care for them, as well as the knowledge to know when a call to 911 is needed. The course reviews general concepts for all emergencies, recognizing and responding to emergencies we can handle (e.g. bleeding, burns, choking), and recognizing and responding to emergencies that would require greater help (e.g. heart attack, stroke, unconscious person).

**Barbara Kitner** has worked with Emergency Skills since 1998, initially serving as an Instructor, then as Lead Instructor Trainer. She has been a Program Manager since 2008. Barbara works closely with our corporate clients on all aspects of their first aid, AED & CPR training programs, with focus on scheduling & course registration. She supervises ESI instructors & is an experienced educator skilled in facilitating successful training programs in a variety of settings, including corporate, educational & private environments. Barbara has been an American Heart Association CPR Instructor since 1998 & is a member of the American Heart Association's Educational Committee. She holds a Masters degree in Communications from Marshall University and an Master of Fine Arts degree in Acting from Western Illinois University.
