## The Why's & How's on Securing a Law Firm

Tuesday, June 21, 2022 at 2 p.m. (Eastern)

What a firm should be doing to protect themselves and their clients.

- What happens when your firm is hacked?
- How to you secure your law firm.
- What security issues are taking place at firms today?
- How are they being addressed?

**Jim Ahern** is a partner at Ivionics and is the Legal Practice Director. Ivionics, LLC is a 2022 Cyber Chapter Exclusive Business Partner.

Jim has been working with law firms for over 30 years in numerous capacities helping firms grow using technology. Jim has been advising and consulting with firms on application selections, security solutions and managed services. The philosophy has never changed, "Helping firms grow and streamlining the user experience", it is the technology that has changed and advising firms on how to take advantage of those changes. Jim enjoys working with each firm to accomplish their goals. Jim is married with 3 kids and soon to be a Grandfather in April 2022 and could not be more excited.
